Daycare Terms & Conditions

The goal of Gone To The Dogs is to provide a safe, fun and stimulating social environment for dogs during the day. To ensure the safety and health of your pet and that of our other guests, we require everyone to comply with the following:

DAYS & HOURS: We are open Monday – Friday from 7:00am to 6:30pm. Dogs not picked up before our 6:30pm closing time will incur a \$25 late pick-up fee unless prior arrangements were made due to special circumstances.

RESERVATIONS: Reservations are required for daycare and must be paid for in advance. Preference will be given to those who attend regularly. Cancellations not received at least 24 hours in advance will be charged the regular fee for that day.

APPLICATION: All dogs must have a complete, up-to-date and approved application on file. Applications and screening evaluations are good for up to six months from the date of your dog's last stay with us in daycare. If more than six months have past since your dog's last stay with us in daycare, a new application and evaluation will have to be completed. There is a \$10 non-refundable application/screening fee.

AGE: All dogs must be four months or older. All dogs six months and older must be spayed or neutered.

VACCINATIONS: All dogs must have up-to-date vaccinations. Owners must provide vaccination certificates proving that their dog(s) has received DHLPP (Distemper, Hepatitis, Leptospirosis, Parainfluenza, and Parvovirus), negative Heartworm test and negative Fecal test within the last year, and that the Kennel Cough (Bordetella) vaccine was received within the last six months. Rabies vaccination must also be current.

Flea prevention is strongly recommended but not mandatory. Gone To The Dogs is not responsible

if your dog contracts fleas.

On admission, all dogs must be free from any condition that could potentially jeopardize themselves or other guests. All dogs are required to have a veterinarian certification of good health after any illness.

VETERINARY CARE: Your dog's health and well-being are one of our top concerns. We reserve the right to seek veterinary care for any illness or injury, at our sole discretion, while your dog is in our care. Whenever possible, we will attempt to call you or your emergency contact to discuss the matter ahead of time. However, if circumstances do not permit the time necessary to call or if we are unable to reach you or your emergency contact, we will proceed as we see fit. Briarpointe Veterinary Clinic will provide the veterinary services unless they are unavailable or unable to do so at the time; in which case, we reserve the right to seek an alternative source. You will be responsible for all charges incurred for any veterinary care and related services provided to your dog while in our care.
